

Curriculum vitae
Patricia D. Shearer, MD, MS, FAAP
Founder and Owner, Patti's Place: Vital Pediatrics for Complex Kids, LLC

1. **Name** Patricia D. Shearer, MD, MS, FAAP

E-mail patriciashe@gmail.com; pshearer@vitalpediatrics.com;
pshearer@georgiacore.org

3. **Citizenship** USA

4. **Current Titles and Affiliations**

Clinical Appointment

Founder and Owner, Vital Pediatrics for Complex Kids, LLC
<https://www.vitalpediatricsforcomplexkids.com>

Chief Medical Officer, Georgia Center for Oncology Research and Education

Graduate Medical Education Faculty, WellStar Health Systems

5. **Previous Academic and Clinical Appointments**

1977-1981 Instructor (Audiology), Department of Otolaryngology, Kresge Hearing Research Laboratory, LSU School of Medicine, New Orleans, Louisiana

1981-1982 Assistant Professor (Audiology), Department of Otolaryngology, Kresge Hearing Research Laboratory, LSU School of Medicine, New Orleans, Louisiana

07/1992-05/1994 Instructor of Pediatrics, Mayo Medical School, Rochester, Minnesota

06/1994-07/1994 Assistant Professor of Pediatrics, Mayo Medical School, Rochester, Minnesota

07/1994-07/2002 Assistant Professor of Pediatrics, University of Tennessee, Memphis, Tennessee

07/1994-07/1997 Assistant Member, Department of Hematology/Oncology, St. Jude Children's Research Hospital, Memphis, Tennessee

1995-1997 Assistant Member, Department of Experimental Oncology, St. Jude Children's Research Hospital, Memphis, Tennessee

11/1998-04/2001 Assistant Member, Department of Hematology/Oncology and International Outreach, St. Jude Children's Research Hospital, Memphis, Tennessee

01/2003-11/2006 Adjunct Associate Professor of Pediatrics, Tulane Medical School, New Orleans, Louisiana

01/2007-06/2011 Clinical Associate Professor of Pediatrics, University of Florida College of Medicine, Gainesville, Florida

2009-2011 Clinical Associate Professor, Department of Medicine, Division of Hematology/Oncology, University of Florida College of Medicine, Gainesville, Florida

07/2011-09/2012 Professor of Pediatrics and Division Chief of Pediatric Hematology/Oncology, University of Maryland School of Medicine, and Greenebaum Cancer Center, Baltimore, Maryland

6. Previous Administrative and/or Clinical Appointments

1974-1977 Audiologist, Ochsner Foundation Hospital and Tulane Medical School, New Orleans, Louisiana (contracted by Medical Hearing Services)

1977-1982 Audiologist, Department of Otolaryngology, Kresge Hearing Research Laboratory, LSU School of Medicine, New Orleans, Louisiana

1992-1994 Senior Associate Consultant, Mayo Clinic, Rochester, Minnesota

07/1999-04/2001 Founding Director, Yearly Follow-up Clinic for Bone Marrow Transplant, St. Jude Children's Research Hospital, Memphis, Tennessee.

07/1999-04/2001 Solid Tumor Coordinator, After Completion of Therapy Clinic, St. Jude Children's Research Hospital, Memphis, Tennessee

07/1999-04/2001 Coordinator of the Telemedicine Conferences between St. Jude and Instituto Maternal Infantil de Pernambuco, Recife, Brazil

07/1999-04/2001 Co-Director, China Program, St. Jude Children's Research Hospital, Memphis, Tennessee

04/2001-10/2002 Staff Physician, St. Jude Children's Research Hospital Domestic Affiliate program, Baton Rouge, Louisiana

11/2002-12/2006 Staff physician, Ochsner Health Systems, New Orleans, Louisiana

01/2005-12/2006 Senior Staff Physician, Ochsner Health Systems, New Orleans, Louisiana

08/2005-12/2006 Section Head, Pediatric Hematology/Oncology, Ochsner Health Systems, New Orleans, Louisiana

08/2005-12/2006	Principal Investigator, Children's Oncology Group, Ochsner Health Systems, New Orleans, Louisiana
01/2007-04/2008	Interim Chief, Division of Pediatric Hematology/Oncology, University of Florida College of Medicine, Gainesville, Florida
01/2008-12/2009	Founding Director, Cancer Survivor Program for Survivors of Childhood, Adolescent, and Adult Malignancies at the Shands Cancer Center, University of Florida, Gainesville, Florida
01/2010-06/2011	Founding Director, Cancer Survivor Program at the Department of Pediatrics, University of Florida College of Medicine, Gainesville, Florida
07/2011-09/2012	Division Chief, Pediatric Hematology/Oncology, University of Maryland School of Medicine, Greenebaum Cancer Center, Baltimore, Maryland
07/2011-09/2012	Founding Director, Cancer Survivor Program, University of Maryland Greenebaum Cancer Center, Baltimore, Maryland
10/2012-12/2014	Administrative Medicine, American Academy of Pediatrics, Executive Committee of the Sub-Board of Pediatric Hematology/Oncology and The American Society of Pediatric Hematology/Oncology
01/2015-04/ 2017	Physician Champion, David Raines Community Health Center, a Federally Qualified Health Center and Patient Centered Medical Home, Shreveport, Louisiana
07/2017-06/2018	Post-doctoral Fellow, Hospice and Palliative Medicine, Emory University School of Medicine, Atlanta, Georgia
08/2018-11/2019	Site Lead Physician, Hospice and Palliative Medicine, Emory Palliative Care Center at Emory Johns Creek Hospital, Johns Creek, Georgia
11/2020-present	Founder and Owner, Vital Pediatrics for Complex Kids, LLC
01/2022-present	Medical staff membership, Wellstar Kennestone and Cobb Hospitals

7. Medical Licensure/Boards *=active and unrestricted

Louisiana, 1986, inactive
Tennessee, 1989, inactive
Minnesota, 1992, inactive
*Florida, 2006, active, unrestricted
Maryland, 2011, inactive
*Georgia, 2018, active, unrestricted
*Texas, 2023, active, unrestricted

8. Specialty Boards and Certifications

American Speech and Language Association Certificate of Clinical Competence, 1976

American Academy of Pediatrics, General Pediatrics, 1999, 2018 (meeting Maintenance of Certification)

American Academy of Pediatrics, Hematology/Oncology, 1992, 1999, 2006, 2013, 2018 (meeting Maintenance of Certification)

American Academy of Hospice and Palliative Medicine, 2020, (meeting Maintenance of Certification)

9. Education

1969-1973 B.A. in Speech Pathology, University of North Carolina at Greensboro, North Carolina

1974-1975 M.S. in Audiology, Tulane University, New Orleans, Louisiana. Thesis: Stapedial reflexes: electrophysiological correlates and clinical applications.
Advisor: Michael F. Seidemann, PhD.

1982-1986 M.D., Louisiana State University School of Medicine, New Orleans, Louisiana (Alpha Omega Alpha)

10. Post Graduate Education and Training

1986-1989 Internship and Residency: Department of Pediatrics, Johns Hopkins Hospital, Baltimore, Maryland

1989-1992 Fellowship: Postdoctoral Fellow, Pediatric Hematology/Oncology, St. Jude Children's Research Hospital and the University of Tennessee College of Medicine, Memphis, Tennessee.
Mentors: Drs. Charles Pratt and Judith Ochs

2017-2018 Fellowship: Postdoctoral Fellow, Hospice and Palliative Medicine, Emory University School of Medicine, Atlanta, Georgia

11. Continuing Professional Development Activities

2000 Special coursework in health care administration, University of Memphis, Memphis, Tennessee

2000 Physician in Management I: The American College of Physician Executives, San Diego, California

2018 "Education in Palliative and End of Life Care", Oak Brook, Illinois

12. Military or Government Service

N/A

13. Committee Memberships

a. National and International

- | | |
|-----------|---|
| 1995-1999 | Member, National Wilms Tumor Study Group; National Institutes of Health site visit team for Study 5 |
| 2004-2010 | Co-Chair, Auditory/Hearing Late Effects Task Force, Children's Oncology Group |
| 2004-2007 | Member, Bladder/Kidney Late Effects Task Force, Children's Oncology Group |
| 2009-2012 | Appointed Member, Nominations Committee for the Sub-Board of Hematology Oncology, American Academy of Pediatrics |
| 2010-2015 | Senior advisor, Auditory Hearing Task Force, Children's Oncology Group |
| 2015-2018 | Member, Survivorship/Late Effects Working Group of the American Society of Pediatric Hematology/Oncology and the American Academy of Pediatrics |

b. Regional

- | | |
|------|---|
| 2011 | Member, State of Florida Department of Health Survivorship Taskforce Initiative |
| 2023 | Member, Georgia Cancer Control Consortium Survivorship Working Group |
| 2024 | Tri-Chair, Georgia Cancer Control Consortium Survivorship Working Group |
| 2024 | Chief Medical Officer, Georgia Center for Oncology Research and Education |

c. Institutional

- | | |
|-----------|--|
| 1993-1994 | Member, Undergraduate Education Committee, Mayo School of Medicine, Rochester, Minnesota |
| 1993-1994 | Member, Residency Recruitment Committee, Mayo School of Medicine, Rochester, Minnesota |
| 1996-1997 | Member, Fellowship Committee, St. Jude Children's Research Hospital, Memphis, Tennessee |

September 4, 2024

2008 Member, Search Committee for the Chairman of Radiation Oncology, University of Florida Health Science Center, Gainesville, Florida

2009-2011 Member, Health Outcomes and Behavior Program at H. Lee Moffitt Cancer Center, Tampa, Florida

2010-2011 Member, Cancer Committee, Shands Hospital, University of Florida, Gainesville, Florida

2011-2012 Member (alternate), School of Medicine Council, Department of Pediatrics, University of Maryland School of Medicine, Baltimore, Maryland

August 2017-November 2019

Member, Adolescent and Young Adult Oncology Program Steering Committee, AFLAC, CHOA and Winship Cancer Center, Emory University, Atlanta, Georgia

August 2018-November 2019

Member, Pain Committee, Emory Johns Creek Hospital, Johns Creek, Georgia

September 2018-November 2019

Member, Cancer Committee, Emory Johns Creek Hospital, Johns Creek, Georgia

September 2018-November 2019

Member, Leadership Committee, Emory Johns Creek Hospital, Johns Creek, Georgia

January 2019-November 2019

Member, Ethics Committee, Emory Johns Creek Hospital, Johns Creek, Georgia

February 2019-November 2019

Member, Utilization Review Committee, Emory Johns Creek Hospital, Johns Creek, Georgia

14. Peer Review Activities

a. Grants

2004-2005 Member, Institutional Review Board, Ochsner Health Systems, New Orleans, Louisiana

2005-2006	Vice-Chair, Institutional Review Board, Ochsner Health Systems, New Orleans, Louisiana
2007-2008	Member, Institutional Review Board, University of Florida Health Science Center, Gainesville, Florida
2007-2008	Principal Investigator, Children's Oncology Group, University of Florida College of Medicine, Gainesville, Florida
2007-2009	Member, Protocol Review and Resource Utilization Committee, University of Florida Health Science Center, Gainesville, Florida
2008-2010	Member of Review Committee, Chris Dimarco American Cancer Society Institutional Research Grant, University of Florida College of Medicine, Gainesville, Florida
2009-2011	Vice-Chair, Institutional Review Board, University of Florida Health Science Center, Gainesville, Florida

b. Manuscripts (Reviewer)

Cancer
Cancer Research
Cochrane Reviews
Doody Publishers
International Journal of Pediatric Otorhinolaryngology
Journal of Acquired Immune Deficiency Syndromes
Journal of Pediatrics
Journal of Pediatric Hematology/Oncology
Leukemia
Pediatric Blood and Cancer

c. Conference Abstracts

N/A

15. Consultantships/Advisory Boards

2011-2016	Appointed Member, Pediatric Sub-committee on the Oncology Drug Advisory Committee, US Food and Drug Administration
2012-2015	Appointed Member, Best Pharmaceuticals for Children Act Working Group sponsored by the Eunice Kennedy Shriver, National Institute of Child Health and Human Development, National Institutes of Health
2012-2015	Elected Member, Executive Committee of the Sub-Board of Pediatric Hematology/Oncology of the American Academy of Pediatrics

16. Editorships and Editorial Boards

N/A

17. Honors and Awards

- 1986 Co-recipient, Pediatrics Award, LSU School of Medicine in New Orleans, Louisiana
- 1986 Pediatric Neurology Award, LSU School of Medicine in New Orleans, Louisiana
- 1990-1991 American Cancer Society Postdoctoral Fellow Grant, St. Jude Children's Research Hospital, Memphis, Tennessee
- 1991-1992 American Cancer Society Postdoctoral Fellow Grant, St. Jude Children's Research Hospital, Memphis, Tennessee
- 1993 Pediatric Resident Teacher of the Year, Department of Pediatrics, Mayo Clinic, Rochester, Minnesota
- 1994 Pediatric Resident Teacher of the Year, Department of Pediatrics, Mayo Clinic, Rochester, Minnesota
- 1996 Pediatric Resident Teaching Award, St. Jude Children's Research Hospital, Memphis, Tennessee
- 1998-2012 Best Doctors
- 2003 Spirit Award, American Cancer Society, New Orleans, Louisiana
- 2004 Teacher of the Year, Tulane University Pediatric Housestaff (Ochsner Health Systems), New Orleans, Louisiana
- 2005 Tulane Owl Club Award (senior medical students' award), Tulane University School of Medicine, New Orleans, Louisiana
- 2005 Teacher of the Year, Tulane University Pediatric Housestaff (Ochsner Health Systems), New Orleans, Louisiana
- 2005 Chairman's Award, Ochsner Health Systems, New Orleans, Louisiana
- 2008-2012 Top Doctors
- 2010 Marquis "Who's Who in America"
- 2015 Newcomer's Award, David Raines Community Health Center, Shreveport, Louisiana
- 2018 Marquis "Who's Who in America" Lifetime Achievement Award

18. Society Memberships

Alpha Omega Alpha, member since 1986

Fellow of the American Academy of Pediatrics, since 2007

Member, Sub-Board of Hematology/Oncology of the American Academy of Pediatrics since 2007

Executive Committee of the Sub-Board of Hematology/Oncology of the American Academy of Pediatrics, November 2012-November 2015 (*primary author of Guideline on Use of Proton Therapy in Children for AmeriHealth, July,2014, in collaboration with the American Society of Pediatric Hematology/Oncology)

Council on Quality Improvement and Patient Safety, American Academy of Pediatrics, member since 2015

American Association of Hospice and Palliative Medicine, member since 2017

19. Organization of Conferences

1992-1994 Coordinator and Moderator, Multi-disciplinary Tumor Board, Mayo Clinic, Rochester, Minnesota

1998-2001 Coordinator and Moderator, Late Effects Conferences, St. Jude Children's Research Hospital, Memphis, Tennessee

2018-2019 Coordinator of "Northern Arc" rounds between the Palliative Care Team at Emory Johns Creek Hospital and Emory St. Joseph Hospital

20. Clinical Service Contributions

a. Clinical Division Leadership

- Reestablished active member status within Children's Oncology Group (COG) at University of Maryland (2011-2012).
- Supervised clinical trials sponsored by COG at University of Florida (2007-2008).
- Mentored residents and fellows at University of Florida. One fellow later received a NIH K award, followed by a RO1 award and is now Associate Professor at University of Illinois at Chicago (2007-2011).
- At Ochsner Health systems in New Orleans reestablished active member status within COG after Hurricane Katrina devastated New Orleans and the surrounding areas (2005-2006).

b. Founding Director of Cancer Survivor Programs

- Implemented an evidence-based follow-up program for cancer survivors of all ages, including adults, at University of Florida (2008-2011).
- Implemented an evidence-based follow-up program for cancer survivors of all ages, including adults, at University of Maryland (2011-2012).

- Developed community outreach to the underserved northern part of Florida
 - Attracted researchers to generate publications and grant awards from NIH and American Cancer Society.
 - Appointed to the State of Florida Survivorship Taskforce Initiative (2011).
- c. National/International Clinical Advisory Committee In Oncology And Audiology**
- Appointed panelist on the Pediatric Sub-committee of the Oncology Drug Advisory Committee of the US Food and Drug Administration (2011-2016).
 - Co-Chair of the COG Auditory/Hearing Late Effects Task Force to develop evidence- based recommendations for follow-up of late effects of radiation and ototoxic chemotherapy (2004-2010).
- d. International Clinical Outreach**
- Co-Director of China Program at St. Jude yielded publications, presentations, and educational opportunities with broad scope (1998-2001).
 - Helped Shanghai Children’s Medical Center to obtain a flow cytometer and to enhance their delivery of protocol-based therapy for childhood cancers.
 - Coordinator of the Telemedicine Conferences between St Jude and Hospital de Infantil de Pernambuco, in Recife, Brazil, to decrease sense of isolation (1998-2001).
- e. Clinical Impact within the American Academy of Pediatrics**
- Elected member of the Executive Committee of the Sub-Board of Pediatric Hematology/Oncology to develop guidelines and reviews relevant topics both within the scope of pediatric hematology/oncology and medicine as a whole (2012-2015).
 - Primary author of the Guideline on use of Proton Therapy in Children (2014).
 - Patti’s Place: Vital Pediatrics for Complex Kids, LLC selected as a Promising Practice for Telehealth as part of the American Academy of Pediatrics CARES grant (April 2022).
- f. Primary Care and Family Medicine**
- Physician Champion at David Raines Community Health Center in Shreveport, Louisiana, to develop and implement performance metrics for quality improvement for adult and pediatric providers which resulted in significant increase in re-imburement and prestige for the organization (2015-2017).
- g. Palliative Medicine**

- As a Fellow, advanced the understanding on sibling grief and presented the result in state, national, and international meetings (2017-2018).
- As Site Lead Physician at Emory Johns Creek Hospital, developed a Palliative Medicine program with performance that exceeded 40% of budget. The program supported the recruitment of a nurse practitioner and social worker (2018–2019).
- As Honorary Consultant to Harbor Grace Hospice, collaborated with social work and nursing to prepare a presentation on the terminology of grief for the 2021 Annual Conference of the Georgia Hospice and Palliative Care Organization.
- As Founder and President of Vital Pediatrics for Complex Kids, LLC, developed a community-based telemedicine practice for children with life limiting illness to focus on symptom management, care co-ordination, and advance care planning
- Created a cross-state model for pediatric cancer survivorship and palliative care with West Virginia, 2021-2022

21. Community Outreach

a. General

1998-2001	Church Health Center, Memphis, Tennessee. Volunteer pediatrician.
2007-2011	Climb for Cancer Foundation, Gainesville, Florida. Outreach efforts with this organization led to donation for the Cancer Survivor Program at the University of Florida, Gainesville, Florida
2007-2011	Friends for Life, University of Florida, Gainesville, Florida. Community outreach education on cancer survivorship
2015	Health Fair, Bossier City, Louisiana. Community outreach education on wellness
2018	Hospice of Atlanta—as speaker on sibling grief in palliative care
2019	CanCare, Atlanta, Georgia. Community outreach awareness on cancer survivorship
2022	Focus-GA—speaker on grief and spirituality in children with complex conditions
2023	Focus-GA—moderator of panel discussion on sibling support, 36 th Annual Education Conference

b. Media Appearances:

Shearer P. Featured guest, Maryland Public Television. The Cancer Survivor Program at the University of Maryland School of Medicine and Greenebaum Cancer Center, Baltimore. Maryland, June, 2012. <http://www.mpt.org/directconnection/previous/2012>

22. Formal Teaching

a. Medical Student Teaching

I. Small Groups

- Spring 2009 Essentials of Patient Care 4, University of Florida College of Medicine, Gainesville, Florida (3 small group sessions of 6-8 sophomore students each)
- Spring 2009 Pediatric Clinical Diagnosis, University of Florida College of Medicine, Gainesville, Florida (3 small group sessions of 2 junior medical students beginning Pediatrics training).
- Spring 2010 Pediatric Clinical Diagnosis, University of Florida College of Medicine, Gainesville, Florida (3 small group sessions of 6-8 sophomore students each)
- Fall 2010 Small group facilitator, Ethics Course, University of Florida College of Medicine, Gainesville, Florida (sophomore course for students; 4 hours per week; 8 students)
- Spring 2011 Pediatric Clinical Diagnosis, University of Florida College of Medicine, Gainesville, Florida (3 small group sessions of 6-8 students each)
- Spring 2018, 2019 CAPSTONE course preceptor, Emory University School of Medicine

II. Didactic

- Spring 2010, 2011 Invited lecture on Cancer Survivorship in sophomore Pathology course (one hour), University of Florida College of Medicine, Gainesville, Florida
- Fall 2018 Invited lecture, Emory University School of Medicine Geriatrics Rotation (personal reflection on palliative care, one hour)
- Spring 2024 "Pediatric Objectives for Adult Track Fellows in Hospice and Palliative Medicine", WellStar Health System

III. Clinical:

- 1992-2012 Attending on rounds and in outpatient pediatric hematology/oncology services in all institutions of faculty appointment (12-52 weeks per year)
- 2018-2019 Attending on rounds in Palliative Medicine at Emory Johns Creek Hospital
- 2021-present Consultant, WellStar Health System, NICU

b. Graduate Programs:

I. Residency Programs:

- 1992-2012 Invited resident conference speaker on topics including Wilms tumor, abdominal masses in children, anemia, cancer survivorship, medicine in China, and clinical trials. Attending on rounds and in outpatient pediatric hematology/oncology services in all institutions of faculty appointment (12-52 weeks per year).
- 1993-1994 Resident Advisor, Mayo School of Medicine, Rochester, Minnesota
- 1994-1997 Pediatric Oncology Lecture Series, University of Tennessee College of Medicine, Memphis, Tennessee
- 1998-2001 Coordinator and Moderator, Late Effects Conference, St. Jude Children's Research Hospital, Memphis, Tennessee
- 2007-2010 Resident advisor, Department of Pediatrics, University of Florida College of Medicine, Gainesville; medical student preceptor
- 2010 Mentor of a funded CATCH (resident) grant for Dr. Alexandra Milloff on cancer survivorship and transition, University of Florida College of Medicine, Gainesville, Florida.
- April 2012 Invited moderator, Medicine/Pediatrics Board Review, University of Maryland School of Medicine, Baltimore, Maryland
- May 2012 Invited moderator, Pediatric Board Review, University of Maryland School of Medicine, Baltimore, Maryland
- October 2021 Family Medicine Grand Rounds, Wellstar Medical System, Sibling Grief in Childhood and Adolescence

II. Fellowship Programs

- 1999-2000 Moderator, Fellows Rounds, St. Jude Children's Research Hospital, Memphis, Tennessee
- 2007-2011 Invited fellow conference speaker on Wilms tumor and cancer survivorship, University of Florida College of Medicine, Gainesville, Florida
- Attending on rounds and in outpatient pediatric hematology/oncology services in all institutions of faculty appointment since 1992 (12-52 weeks per year)
- 2007-2010 Mentor of Angela Rivers, MD, PhD, fellow in Pediatric Hematology/Oncology at the University of Florida (UF), Gainesville, Florida. Dr. Rivers, currently an Associate Professor at the University of Illinois at Chicago, was awarded an RO1 in October 2018 on gene therapy in sickle cell disease as a result of the research she began at UF with an NIH K award. Dr. Shearer has provided longitudinal professional support to Dr. Rivers.

- January 2021-present Mentor, Hospice and Palliative Medicine Fellows, Wellstar Kennestone Hospital for pediatric palliative care
- June 2021 Lecture, Sibling Grief in Childhood and Adolescence, Hospice and Palliative Medicine Fellows, Wellstar Kennestone Hospital
- November 2023-present Faculty, Graduate Medical Education, WellStar Health System

III. Master's and Ph.D. Programs

- 1977-1982 Clinical supervisor of graduate students working toward Master of Communication Disorders degrees in the LSU School of Allied Health Professions

b. Other categories:

- 1979 Introduction to Audiology, Louisiana State University Medical Center, Shreveport, Louisiana
- 1980-1981 Faculty, Advanced Auditory Brainstem Response Course, Kresge Hearing Research Laboratory of the South, Louisiana State University School of Medicine, New Orleans, Louisiana
- 1999-2001 PALS Instructor, St. Jude Children's Research Hospital, Memphis, Tennessee
- 2008-2011 Mentor of a funded NIH K23 award for Dr. I-Chan Huang (Assistant Professor) on Cancer Survivorship, Department of Epidemiology and the Institute for Child Health Policy, University of Florida College of Medicine, Gainesville, Florida
- 2010 Mentor of a funded American Cancer Society grant for Dr. Christopher Harle (Assistant Professor) on mental modeling of survivorship risk communication, College of Health and Human Performance, University of Florida, Gainesville, Florida

25. Lectureships, Seminar Invitations, and Visiting Professorships

a. National and International

Shearer P. Grand Round speaker, Auditory Brainstem Responses, University of New Mexico in Albuquerque, 1981.

Shearer, P. Neurofibromatosis and cancer. Pediatric Grand Rounds, Hong Kong University, Hong Kong, March 27, 1996.

Shearer, P. Wilms tumor: clinical and biological considerations. Pediatric Grand Rounds, McKay Hospital, Taipei, Taiwan, April 2, 1996.

Shearer P. Wilms tumor biology update. Pediatric Oncology Group Meeting, Tampa-St. Petersburg, Florida, April 16, 1996.

Shearer, P. Osteosarcoma: clinical and biologic considerations. Hong Kong Cancer Symposium, Hong Kong University, Hong Kong, August 22, 1996.

Shearer, P. Renal tumors of childhood. Beijing Children's Hospital, October, 1999.

Shearer, P. Bone mineral density determination in pediatric oncology. Shanghai Children's Medical Center, October, 1999.

Shearer, P. Renal tumors of childhood. American Arab Medical Association, Jerusalem, Israel, July, 2000.

Shearer, P. Pediatric thyroid carcinoma: overview and review of the After Completion of Therapy Clinic at Jude Children's Research Hospital. International Pediatric Hematology/Oncology Congress, Shanghai Children's Medical Center, October, 2000.

Shearer, P. Abdominal masses in children. Pediatric Grand Rounds. University of California at Davis. Sacramento, California. May, 2004.

Shearer P. Symposium, Young adult cancer survivors, Hong Kong University, October, 2009.

Shearer P. Young adult cancer survivors: awareness, access, and advocacy. Visiting Professor, Mayo Clinic, Rochester, Minnesota, August, 2011.

b. Regional

Shearer P. Wilms tumor: clinical and biological considerations. Pediatric Grand Rounds, LeBonheur Children's Medical Center, Memphis, TN, August, 1996.

c. Institutional

Shearer, P. Masses that masquerade. Hematology/Oncology Grand Rounds, St. Jude Children's Research Hospital, Memphis, TN, June 1995.

26. Invitations to National/International, Regional, and Institutional Conferences:

a. National and International

Shearer, P. Neurofibromatosis. II Simpósio Internacional de Tumores Ósseos E Sarcomas Dos Tecidos Moles. Universidade Federal de São Paulo, August 31, 1995.

Shearer, P. Wilms tumor. II Simpósio Internacional de Tumores Ósseos E Sarcomas Dos Tecidos Moles. Universidade Federal de São Paulo, September 2, 1995.

Shearer, P. Effects of cancer treatment on auditory function. Speech Pathologists and Audiologists in the Schools Annual Meeting, Baton Rouge, La. September, 2002.

Shearer, P. Report of the Auditory Late Effects Task Force, Children's Oncology Group meeting, Atlanta, Georgia, November, 2004.

Shearer P. Young adult cancer survivors: awareness, access, and advocacy, Keynote speaker, Second Annual National Medicine/Pediatrics Conference, Baltimore, Maryland, June 2012.

b. Regional

Shearer, P. Anemia in children. Gulf Coast Regional Pediatric Update for the Primary Care Pediatrician. Biloxi, Mississippi. March, 2004.

Shearer, P. Abdominal masses in children. Jazz Fest Pediatric Symposium. New Orleans, Louisiana. April, 2004

Shearer, P. Late effects of cancer therapy in children. Gulf Coast Regional Pediatric Update for the Primary Care Pediatrician. Biloxi, Mississippi, March, 2005.

Shearer P. Keynote speaker, Professional Coders Association, Late effects of cancer therapy in young adult cancer survivors. Gainesville, Florida, October, 2009.

Shearer P. Keynote speaker, Florida Association of Clinical Oncology, Late effects of cancer therapy in young adult cancer survivors. Miami, Florida, March, 2010.

Shearer P. Keynote speaker, Symposium, Young adult cancer survivors, sponsored by Hyundai Corporation and Nemours Children's Center in Jacksonville, Florida. June, 2011.

Shearer P. Invited speaker, West Virginia Academy of Family Practice Annual conference on a cross-state model of cancer therapy between specialists and primary care, April 2022

Shearer P. Invited speaker, West Virginia Hospice Executive Educational conference on a cross-state model of hospice and palliative care between specialists and primary care, April 2022 (remote)

Shearer P. Moderator, Panel Discussion on Sibling Support. 36th Annual Educational Conference of Focus-GA (January 2023)

c. Institutional

Shearer, P. Neurofibromatosis: What the family practitioner and pediatrician need to know. Clinical Symposium, St. Jude Children's Research Hospital. Memphis, TN, March, 1995.

Shearer, P. Late effects of cancer therapy in children. Pediatric Grand Rounds. University of Florida, Gainesville. August, 2007.

Shearer P. Young adult survivors of childhood and adolescent cancer: late effects of therapy and paradigms for follow up. Pediatric Grand Rounds, Sacred Heart Hospital, Pensacola, FL. September, 2008.

Shearer P. Invited keynote speaker at Friends for Life of America forum at University of Florida. Late effects of cancer therapy in young adult survivors of childhood and adolescent cancer. September, 2008.

Shenkman E and **Shearer P.** Grand Rounds, UF Shands Cancer Center. The Cancer Survivor Program at the University of Florida. February, 2009.

Shearer P and Burg MA. Symposium at Central Florida Community College (sponsored by Ocala Royal Dames), Ocala, Florida. Young adult survivors of childhood cancer. March, 2009.

Shearer P. Community Involvement Series, University of Florida Clinical and Translational Science Institute. Young adult cancer survivors: awareness, access, and advocacy. May, 2009.

Shearer P. Visiting Professor, Mayo Clinic, Young Adult Cancer Survivors: Awareness, Access, and Advocacy. Rochester, Minnesota, August 2011.

Shearer P. Keynote speaker, Pediatric Grand Rounds, Sinai Hospital, Baltimore, Maryland. Young adult cancer survivors: awareness, access, and advocacy. November, 2011.

Shearer P. Keynote speaker, Pediatric Grand Rounds, Mercy Hospital, Baltimore, Maryland. Young adult cancer survivors: awareness, access, and advocacy. February, 2012.

27. Abstract Presentations at National/International, Regional, and Institutional Conferences (presenter indicated by *)

a. National and International

***Shearer P.** Lipoblastoma: Report of a case. Pediatric Oncology Group Meeting, Coral Gables, Florida, April, 1986. (Oral)

***Shearer P.** The Deafness of Beethoven: A medical and historical overview. American

Academy of Otolaryngology Meeting, Washington, DC, September, 1988. (Oral)

c. Institutional

***Shearer, P.** A missing gene in Wilms tumor? Survivor's Symposium. St. Jude Children's Research Hospital, Memphis, TN, June, 1996 (Poster).

Huang I-C, Quinn G, ***Shearer P**, Shenkman E. Establishing an item bank to measure the health-related quality of life of young adult survivors of childhood and adolescent cancer. 27th Annual Pediatric Science Days, Department of Pediatrics, University of Florida, Gainesville, Florida, April 32, 20109. (Oral)

28. Research Focus:

My research has focused on pediatric solid tumors (translational and clinical), international medicine, cancer survivorship with emphasis on access and advocacy in young adults, and quality of life and palliative care across the age spectrum.

30 Grant Support

a. Active Support

N/A

b-1. Previous Support--Federal

“Using item response theory to improve children’s quality of life assessment”. NIH K-23 award, 2009-2012, 3 year total cost: \$384,110. Principal Investigator, I-C Huang. Co-investigator, ***P. Shearer**.

“A mental models approach to understanding cancer survivors’ health risk beliefs”, Chris DiMarco American Cancer Society award, 2010, \$30,000. Principal Investigator, Chris Harle, Co-investigator, ***P. Shearer**

“Young adult cancer survivors in transition.” The American Academy of Pediatrics Community Access to Child Health grant, 2010-2011, \$2860. Principal Investigator, Alexandra Milloff. Mentor, ***P. Shearer**

b-2. Previous Support--Regional

“Establishing an initial item bank to measure health-related quality of life for young adult survivors of childhood and adolescent cancer”. UF-Moffitt collaborative grant, 2009-2010, \$80,789. Principal Investigator, I-C Huang, Co-investigator, ***P. Shearer**

“Muscle weakness and quality of life in elderly breast cancer survivors.” UF-Moffitt collaborative grant, 2009-2010, \$86,944. Principal Investigator, Todd Manini, Co-investigator, ***P. Shearer**

b-3. Previous Support: Other

Climb for Cancer Foundation, \$25,000 for the Cancer Survivor Program at the University of Florida, 2008
